

PRES. COOLIDGE NOMINATED ON FIRST BALLOT

**COOLIDGE 1065,
JOHNSON 10,
LA FOLLETTE 34**

PRESIDENT GIVEN OVERWHELMING VOTE OF CONFIDENCE

COMES AS CLIMAX TO MOST EXTRAORDINARY CONVENTION

(By United Press)
Municipal Auditorium, Cleveland, June 12.—Calvin Coolidge today was formally selected to lead the republican hosts to victory or defeat at the polls this fall.

As the climax of one of the most extraordinary conventions held by the party in years, the president was given an overwhelming vote of confidence for another term in the White House amidst tumultuous scenes of cheering, applause and unrestrained demonstrations by delegates and galleries.

It required but one ballot to name Coolidge leader of his party for the next four years. The Illinois delegation, which had two Johnson delegates elected at the primaries, cast a solid vote for Coolidge. The first break came in the North Dakota delegation, which, when polled showed 7 votes for Coolidge and 6 for LaFollette.

The second break in the solid Coolidge phalanx came when South Dakota cast 10 votes for Hiram Johnson and three for Calvin Coolidge.

The final rift in the Coolidge column occurred when the Wisconsin delegation cast 28 for LaFollette and two for Coolidge.

Totals on the first roll were:
Coolidge 1065; Johnson 10, and LaFollette 34.

Nomination Made Unanimous
A motion to make "the nomination of Coolidge unanimous" was made by the delegation from South Dakota.

Thomas Scott, Wisconsin delegation, who voted for Coolidge, moved to make the Coolidge nomination unanimous, and it was carried with a shout. Other Wisconsin delegates shouted no.

"With the exception of a very few Coolidge is made unanimous," Chairmen, the nomination of Calvin man Mondell shouted.

The nomination of the president marks the emergence of a leadership in the G. O. P.—a leadership of New England. The so-called "senate oligarchy" passed as dictator of the party organization with the rise of the new leadership.

The convention hall was filled by a wild din as the delegations and galleries shrieked, whistled and applauded themselves with all sorts of noise-making devices that had been brought into the hall.

Unrestrained Cheering
The delegates themselves broke into unrestrained cheering, breaking the silence which has made this convention one of the most quiet republican conventions ever held.

The convention recessed at 1:06 p. m. until 3:30 o'clock this afternoon.

The poll of the North Dakota vote was: William Etern for Coolidge; Julia Helliott, LaFollette; Englehart, LaFollette; Ida M. Hersher, Coolidge; V. F. Spalding, Coolidge; B. A. Taylor, Coolidge; Ralph Ward, Coolidge; P. O. Williams, LaFollette; J. A. Dinne, Coolidge; O. B. Severson, Coolidge; O. J. Sorlie, Coolidge.

Minnesota cast a solid vote of 27 for Coolidge. New members of the national committee announced today for Minnesota are William F. Brooks and Mrs. Manly L. Fosse; for North Dakota, Harris Garnett and Mrs. Jane Mann.

New Passenger Liner

(By United Press)
San Francisco, June 12.—The American-Hawaiian Steamship Company expects to have in commission within 18 months a \$6,000,000 trans-Pacific liner. It will have first class accommodations for 500 passengers, but will carry 100 more in emergency.

Sen. Curtis May be Choice for Vice Presidency

\$100,000 GEM ROBBERY REPORTED IN NEW YORK CITY

(By United Press)
New York, June 12.—Federal authorities and police today are searching for Gerald Chapman, escaped convict, in connection with the holdup and robbery of a mail truck in downtown New York yesterday, in which \$100,000 in gems was taken. The search for Chapman was started after federal authorities noted the plans were carried out in the same manner as the mail holdup in 1921, in which Chapman with his gang took \$2,000,000 in securities. Chapman was sentenced to Atlanta but escaped and has been at large since that time.

BORAH, IDAHO SENATOR, DECLINES ANY NOMINATION

ASKS NAME BE WITHDRAWN INSTANTLY SHOULD IT BE PRESENTED

DOES NOT RELISH THE OFFICE OF VICE PRESIDENCY

(By United Press)
Washington, June 12.—Senator William E. Borah of Idaho positively will not accept the republican vice-presidential nomination, he told the United Press today.

Borah said he had instructed former Senator Beveridge at three o'clock this morning to withdraw his name instantly should it be placed before the convention today.

"The reports from Cleveland that I had accepted a proffer of the vice-presidency are absolutely without foundation," Borah said. "I have advised them out there that I positively will not accept it."

Asked if he would spurn the offer even if the convention voted to nominate him, Borah said: "Yes, absolutely."

Borah left no room for doubt that he had made up his mind that under no circumstances could he be persuaded to take the second place on the ticket.

Borah said he did not intend to express any "strong preference," but favored Judge Kenyon for the vice-presidency.

Washington, June 12.—Senator Borah today personally informed President Coolidge that his decision not to take the republican vice-presidential nomination is "irrevocable." Borah called at the White House and told President Coolidge that he positively would decline to be drafted.

Minnesota Flier Will Pilot Plane in Alaska; Dog Teams Out of Date

St. Paul, June 12.—Noel Wein, Cook, Minn., pilot for the Northwest Airplane Co., is leaving for Alaska to pilot a plane.

The airplane, according to W. A. Kidder, manager of the Northwest Airplane Co., is coming into greater use in Alaska than in the United States. It is solving the difficulties of the country in crossing long uninhabited areas.

Wein will be on the Fairbanks to McGrath run, a trip which takes six weeks by dog team and has been reduced to four hours by plane.

The planes carry passengers and express.

"Buffalo Bill's" Monument
Cody, Wyo., June 12.—On July 4, the monument of Col Cody will be unveiled here. It is the work of Mrs. Harry Payne Whitney of New York City, is 12 feet high, 13 feet long and weighs three tons. "Buffalo Bill" in bronze, is pictured riding his horse along a trail. It will be placed on a natural granite terrace on the banks of the Shoshone river, near here.

AMAZING REVERSAL. KENYON AND NOT CURTIS TO FRONT

SEN. REED SMOOT SAYS IOWAN MAY BE NAMED VICE PRESIDENT

PENNSYLVANIA AND NEW YORK MAY SWITCH FROM CURTIS TO KENYON

(By United Press)
Municipal Auditorium, Cleveland, June 12.—An amazing development within the ranks of Coolidge managers came while the convention was in session today that made the most complete upset in the vice-presidential situation, apparently certain and forecasting the nomination of Judge Kenyon of Iowa instead of Senator Curtis of Kansas, Senator Borah and any of the other candidates that have been mentioned.

Senator Reed Smoot of Utah told the United Press on the floor of the convention that the nomination of Kenyon could be regarded as a virtual certainty.

Pennsylvania and New York during the morning endorsed Curtis. They gave such endorsement on the qualification that Curtis would be acceptable to the White House. After arriving at the convention hall, however, they began to get intimations that something was wrong. They were told that if the name of Curtis was presented William M. Butler, the president's personal campaign manager, would take the platform himself to oppose Curtis.

New York and Pennsylvania immediately decided that they should have another caucus. They recessed immediately after the nomination of Mr. Coolidge in order to enable the state delegations to straighten themselves out in the new drift of the tide. It was understood that Pennsylvania and New York would switch their support to Kenyon. It was apparent that there was a distinct division among Coolidge managers.

Judge Declines to Class Drive to Ball Game as Demonstration Outing

St. Paul, June 12.—When an automobile dealer goes to the ball game in his automobile he cannot consider the trip a demonstration.

Judge John W. Finchout made this ruling in police court today in the trial of seven automobile dealers charged with driving cars for pleasure purposes when they had only dealers' licenses. Under the state law a dealer's license, issued for a lower fee, can only be used on a car for demonstration.

The seven dealers in court today were arrested at Lexington park when the season opened there May 1. Most of them declared they had customers at the game, but Judge Finchout ruled that when they drove to the ball park, parked the car for two hours, and then drove back again, the trip was not a demonstration, but a pleasure drive.

They were given suspended fines of \$50.

MAGNUS JOHNSON HAS RETURNED HOME

Litchfield, Minn., June 12.—Senator Magnus Johnson returned to his farm near Litchfield.

This was the first time he had been home since leaving for the opening of congress last September.

He was in Minneapolis yesterday, conferring with Farmer-Labor party leaders and left there in the morning for home.

Senator Johnson said he did not intend to take any part in the few days remaining of the state primary campaign. He has two opponents on the Farmer-Labor ticket.

Decidedly Not

Just because you can brush up a few facts you shouldn't make sweeping statements.—Boston Transcript.

BRAINERD BOY HEADS ARIZONA G. O. P. DELEGATION

Heading the Arizona delegation as its chairman is a former Brainerd man, James P. Boyle. He served in the state senate a few years ago when he lived at Eveleth but left for Arizona and is now an attorney at Douglas.

HERBERT HOOVER IS WILLING TO BE VICE PRESIDENT

CLOSE FRIENDS SAY HE WOULD NOT BE ADVERSE TO THE HONOR

HOOVER SUPPOSED STAND IS EXPLAINED IN DETAIL

(By United Press)
Washington, June 12.—Herbert Hoover, secretary of commerce, will accept the republican vice-presidential nomination if actually nominated, those close to President Coolidge believed here today.

Hoover's refusal to permit the California delegates to present his name was not taken as final. It was said that Hoover has at no time said definitely he will not accept if nominated.

He has confined his statements to declarations that he does not want the vice-presidency, and his actions may constitute moves to prevent his being forced into the open in advance of actual assurance of the nomination. It was regarded as probably a real desire not to put himself forward for the position and second on the wish not to be placed in the position of being open for it and then suffering the humiliation of being turned down.

HIBBING GIRL SAYS 'DICKY' LOEB ALWAYS WAS GENTLEMANLY

Hibbing, Minn., June 12.—"Dickie was a perfect gentleman."

So declared Miss Bess Osherman of Hibbing, when she admitted she and Richard Loeb, charged with murder in connection with the death of Robert Franks, were more or less personal friends.

"I met Dicky at a wonderful party at his home, three years ago, Miss Osherman asserted.

"They have a wonderful home in Chicago's most exclusive district. All the time that Dicky and I knew each other he was a perfect gentleman. I went to a party later with him."

Miss Osherman said she met "Dickie" when she was attending the national kindergarten college in Chicago.

"Dickie," Miss Osherman continued, "was awfully bright, although his temperament was so different from any of the other students at the school. He was always well-dressed and carried himself in a gentlemanly manner."

She declared there was nothing to indicate he was insane, the plea defense counsel intends to make.

"Dickie" and Miss Osherman's brother Jack are fraternity brothers in Zeta Beta Tau, national Jewish social fraternity.

CHICKENS AUTOCRATIC AND AMBITIOUS, TOO

(By United Press)
Saranac Lake, N. Y., June 12.—Adirondack hens lead the world in production and style. Daniel Lamica, residing in the northern section of the county, has a Plymouth Rock hen that rejoices in the name of Cissy. So proud is the hen of her numerous eggs that each is marked with a well-defined "C" in a sort of old English.

L. B. Franch of Keene, had a little hen just yearning to become a mother. He put her on fourteen eggs and told her to get busy. She did. She hatched fifteen chicks.

ILLINOIS TO GIVE CURTIS ITS 41 VOTES

REPUBLICAN WHIP OF SENATE IS "ADMINISTRATION CHOICE"

CURTIS REGARDED AS AN IDEAL "COMPROMISE" CANDIDATE

(By United Press)

Today's Program

Morning and afternoon sessions expected today.

Morning session: Meets at 10 a. m.

Prayer by Bishop Schrembs of Cleveland.

Dr. Marion LeRoy Burton, president of Michigan university, placing President Coolidge in nomination.

Nomination of President Coolidge by roll call of states.

Afternoon session: Nominations for vice-president by roll call.

Municipal Auditorium, Cleveland, June 12.—Senator Charles Curtis of Kansas, republican whip of the senate, was agreed upon early today as the "administration choice" for running mate for President Coolidge, and is expected to be nominated on an early ballot. The Illinois delegation will give him 41 votes on the first ballot, and according to Coolidge leaders he will be acceptable to the wheat states bloc who demanded the nomination of a candidate from the middle western states, and little opposition is expected to him from any source.

This development came after emphatic statements had been given by Senator William E. Borah that he would not accept the nomination.

Former Senator Beveridge, who was informed by Borah over the long distance telephone from Washington that he would not under any circumstances enter the race, wired Borah later in the morning. The wire read: "Send immediately your final decision."

If Borah persists in declining as he has indicated, the United Press is informed upon indisputable authority that the full support of republican leaders will be given to the Curtis nomination. It is understood that after Curtis republican leaders favor Major General Harbord.

Curtis is regarded as an ideal "compromise" candidate in many respects. He has broken away from the president's program only as regards the soldier bonus bill, which is not even mentioned in the platform upon which he would run with Mr. Coolidge.

Whip of the senate for many years, Curtis has developed a strong stand with the middle western farmers and women suffrage leaders. He has fostered many important pleas in behalf of both.

As vice-president Curtis would be presiding officer of the senate, and he is regarded as one of the highest authorities in congress on parliamentary procedure.

The Kansas delegation caucused this morning and voted to get solidly behind Curtis. Chairman Tinch of Kansas was elected to place the senator in nomination.

Favorite Son Talk Heard
As the word spread through the delegations arriving at the convention hall there were numerous expressions of commendation on the selection, particularly among delegates who are members of congress.

There is talk at this time that favorite son candidates—like Governor Hyde, Missouri, Charles H. March, Minnesota, Senator Watson, Indiana, L. J. Dickinson, Iowa, and C. C. Chapman, California, and others will receive at least one compromise vote so as to carry the actual nomination in two at least the second or third inning.

Shortly before the convention was called to order at 10:43 the Buffalo marching club paraded to the auditorium, their band playing. Delegates (Continued on Page 3)

SMITH DROPS IN AND VISITS "HUE"; HAS ENGINE TROUBLE

(By United Press)
San Francisco, June 12.—Lieut. Lowell Smith, commander of the American round the world flight, was forced by engine trouble to land at the little coast town of Hue in French Indo-China yesterday, according to wireless messages received here today.

Smith was leading the flight down the coast from Haiphong to Turane when the trouble developed and he was forced down. The other two fliers made a perfect landing at Turane.

CHARLES CURTIS MAY ACCEPT SECOND HONORS

SENATOR WILL TAKE VICE PRESIDENCY IF TENDERED TO HIM

CONSIDERS THE NOMINATION AS ONE OF GREAT HONOR

(By United Press)
Washington, June 12.—Senator Charles Curtis will accept the republican vice-presidential nomination if tendered.

Curtis declined to make any statement this morning when notified of the agreement of leaders to pick him as the administration vice-presidential choice, but those close to him say he will accept.

Curtis was said to feel that it is a great honor to receive the vice-presidential nomination and one not to be turned down as both Borah and Lowden have done, it was said. He was reluctant to make any statement without definite word from the convention, but it was certain what his answer would be.

Curtis was notified at 2:30 this morning that his nomination had been agreed upon. Then, an hour later, he heard that Borah was picked. About 7:30 this morning he heard against Borah was undecided, but today reports were freely circulated that Borah would not accept. Since that time he has not heard any direct word concerning the situation. It is understood, however, that he has placed the direction of his boom squarely in the hands of his representatives at Cleveland and they are at liberty to take such action as they see fit, including nomination, without necessarily consulting him first.

MORE DRUNK THAN BEFORE PROHIBITION, CLAIM OF DOCTORS

Chicago, June 12.—Drunkness is more prevalent now than before prohibition, Dr. Thomas C. Chalmers, Forest Hills, N. Y., told the United Press today.

Dr. Chalmers is the author of the resolution calling for liberalization of the Volstead act so far as it affects physicians, adopted by delegates of the American Medical association in convention here.

"From my observation of hospitals I am convinced there are more cases of drunkenness today," Dr. Chalmers declared.

"Immediately after prohibition I noticed a change for the better, but the pendulum has now swung the other way."

Dr. Chalmers, however, does not advocate repeal nor changes in the dry law, but he does demand more freedom for physicians. Liquor is absolutely necessary in the treatment of many diseases, he said.

"In some cases it determines between life and death," he said.

Dr. Oscar Dowling, Shreveport, La., who led the opposition to the resolution, declared: "Whiskey has no rightful place in the treatment of disease. I have found that cases in which alcoholic liquor was suggested could be treated just as well if not better by other means."

KENYON MAKES EYES AT THE VICE-PRES. JOB

IOWA JUDGE MAY GET A CHANCE FOR THE NOMINATION

HIS ACCEPTABILITY SEEMS TO BE UNQUESTIONED

(By United Press)

Washington, June 12.—A spokesman for President Coolidge today said that Judge Kenyon of Iowa would be acceptable to Mr. Coolidge as his running mate.

It was emphasized that Mr. Coolidge's views of Kenyon's acceptability, however, were by no means to be taken as an indication that he would endorse anyone above others. The statement was made in connection with the report from Cleveland that William M. Butler was intimating that Coolidge would not object to Kenyon.

SAYS POSITION FORBIDS DISCUSSION

St. Paul, June 12.—Declaring that his position on the United States Circuit Court of Appeals forbids political discussion, Judge W. S. Kenyon of Iowa today declined to say whether or not the republican nomination for vice-president would be acceptable.

"I don't expect to be nominated. You can rest assured that I don't think I will be," was his comment.

Judge Kenyon said it would be "all right with me" if the convention nominated Senator Borah. He would not take seriously the refusal of the Idaho senator to accept.

"You can say that I am for Senator Borah if he is nominated," the jurist said, apparently evading questions regarding himself.

"Iowa already has a vice-presidential candidate in Judge Dickinson. Some one is quite sure to be nominated this afternoon. I don't think it will be me."

Judge Kenyon had been in communication with his representatives, and announced he had sent two telegrams to the Iowa national committeemen but he did not reveal what bearing they had on the situation.

FIND BONES OF FIRST AMERICANS

(By United Press)

Los Angeles, June 12.—The petrified human remains known as the Haverly group, found recently at a depth of 23 feet during excavations on the outskirts of this city, are believed to be those of men who lived on this continent from 10,000 to 25,000 years ago.

This opinion was concurred in at a recent meeting of scientists held in Washington, D. C., according to W. A. Bryant, director of the Los Angeles museum, who attended.

Dr. Bryant presented the report of Dr. Chester Stock, head of the department of paleontology of the University of California, to the scientists. The report stressed the point that the accumulation of 23 feet of sedimentary material found above the remains has apparently taken place after their lodgment where they were found.

In an investigation now being conducted, it is hoped to more closely determine if the bones are of pleistocene origin.

BRAZIL'S NAVY OLD; U. S. MISSION AIDING

(By United Press)

Rio de Janeiro, Brazil, June 12.—The Brazilian navy is gradually being reorganized, with the assistance of a mission from the United States navy. President Bernardes is averse to spending any large sums on the navy, although Brazil has a vast coast line. With the exception of two battleships, the Brazilian navy is composed of antiquated and in part obsolete vessels. Of her ten destroyers, 8 are now in the drydocks for repairs.

PRES. COOLIDGE NOMINATED ON FIRST BALLOT

**COOLIDGE 1065,
JOHNSON 10,
LA FOLLETTE 34**

PRESIDENT GIVEN OVERWHELMING VOTE OF CONFIDENCE

COMES AS CLIMAX TO MOST EXTRAORDINARY CONVENTION

(By United Press)
Municipal Auditorium, Cleveland, June 12.—Calvin Coolidge today was formally selected to lead the republican hosts to victory or defeat at the polls this fall.

As the climax of one of the most extraordinary conventions held by the party in years, the president was given an overwhelming vote of confidence for another term in the White House amidst tumultuous scenes of cheering, applause and unrestrained demonstrations by delegates and galleries.

It required but one ballot to name Coolidge leader of his party for the next four years. The Illinois delegation, which had two Johnson delegates elected, at the primaries, cast a solid vote for Coolidge. The first break came in the North Dakota delegation, which, when polled showed 7 votes for Coolidge and 6 for LaFollette.

The second break in the solid Coolidge phalanx came when South Dakota cast 10 votes for Hiram Johnson and three for Calvin Coolidge.

The final rift in the Coolidge column occurred when the Wisconsin delegation cast 28 for LaFollette and two for Coolidge.

Totals on the first roll were:
Coolidge 1065; Johnson 10, and LaFollette 34.

Nomination Made Unanimous
A motion to make "the nomination of Coolidge unanimous" was made by the delegation from South Dakota.

Thomas Scott, Wisconsin delegation, who voted for Coolidge, moved to make the Coolidge nomination unanimous, and it was carried with a shout. Other Wisconsin delegates shouted no.

"With the exception of a very few Coolidge is made unanimous," Chairvoices, the nomination of Calvin man Mondell shouted.

The nomination of the president marks the emergence of a leadership in the G. O. P.—a leadership of New England. The so-called "senate oligarchy" passed as dictator of the party organization with the rise of the new leadership.

The convention hall was filled by a wild din as the delegations and galleries shrieked, whistled and applauded themselves with all sorts of noise-making devices that had been brought into the hall.

Unrestrained Cheering

The delegates themselves broke into unrestrained cheering, breaking the silence which has made this convention one of the most quiet republican conventions ever held.

The convention recessed at 1:06 p. m. until 3:30 o'clock this afternoon.

The poll of the North Dakota vote was: William Etern for Coolidge; Julia Elliot, LaFollette; Englehart, LaFollette; Ida M. Hersher, Coolidge; V. P. Spalding, Coolidge; B. A. Taylor, Coolidge; Ralph Ward, Coolidge; P. O. Williams, LaFollette; J. A. Dinneen, Coolidge; O. B. Severson, Coolidge; O. J. Sorlie, Coolidge.

Minnesota cast a solid vote of 27 for Coolidge. New members of the national committee announced today for Minnesota are William F. Brooks and Mrs. Manly L. Fosseken; for North Dakota, Harris Garnett and Mrs. Jane Mann.

New Passenger Liner

(By United Press)
San Francisco, June 12.—The American-Hawaiian Steamship Company expects to have in commission within 18 months a \$6,000,000 trans-Pacific liner. It will have first class accommodations for 500 passengers, but will carry 100 more in emergency.

Sen. Curtis May be Choice for Vice Presidency

\$100,000 GEM ROBBERY REPORTED IN NEW YORK CITY

(By United Press)
New York, June 12.—Federal authorities and police today are searching for Gerald Chapman, escaped convict, in connection with the holdup and robbery of a mail truck in downtown New York yesterday, in which \$100,000 in gems was taken. The search for Chapman was started after federal authorities noted the plans were carried out in the same manner as the mail holdup in 1921, in which Chapman with his gang took \$2,000,000 in securities. Chapman was sentenced to Atlanta but escaped and has been at large since that time.

BORAH, IDAHO SENATOR, DECLINES ANY NOMINATION

ASKS NAME BE WITHDRAWN INSTANTLY SHOULD IT BE PRESENTED

DOES NOT RELISH THE OFFICE OF VICE PRESIDENCY

(By United Press)
Washington, June 12.—Senator William E. Borah of Idaho positively will not accept the republican vice-presidential nomination, he told the United Press today.

Borah said he had instructed former Senator Beveridge at three o'clock this morning to withdraw his name instantly should it be placed before the convention today.

"The reports from Cleveland that I had accepted a proffer of the vice-presidency are absolutely without foundation," Borah said. "I have advised them out there that I positively will not accept it."

Asked if he would spurn the offer even if the convention voted to nominate him, Borah said: "Yes, absolutely."

Borah left no room for doubt that he had made up his mind that under no circumstances could he be persuaded to take the second place on the ticket.

Borah said he did not intend to express any "strong preference," but favored Judge Kenyon for the vice-presidency.

Washington, June 12.—Senator Borah today personally informed President Coolidge that his decision not to take the republican vice-presidential nomination is "irrevocable." Borah called at the White House and told President Coolidge that he positively would decline to be drafted.

Minnesota Flier Will Pilot Plane in Alaska; Dog Teams Out of Date

St. Paul, June 12.—Noel Wein, Cook, Minn., pilot for the Northwest Airplane Co., is leaving for Alaska to pilot a plane.

The airplane, according to W. A. Kidder, manager of the Northwest Airplane Co., is coming into greater use in Alaska than in the United States. It is solving the difficulties of the country in crossing long uninhabited areas.

Wein will be on the Fairbanks to McGrath run, a trip which takes six weeks by dog team and has been reduced to four hours by plane.

The planes carry passengers and express.

"Buffalo Bill's" Monument

Cody, Wyo., June 12.—On July 4, the monument of Col Cody will be unveiled here. It is the work of Mrs. Harry Payne Whitney of New York City, is 12 feet high, 13 feet long and weighs three tons. "Buffalo Bill" in bronze, is pictured riding his horse along a trail. It will be placed on a natural granite terrace on the banks of the Shoshone river, near here.

AMAZING REVERSAL. KENYON AND NOT CURTIS TO FRONT

SEN. REED SMOOT SAYS IOWAN MAY BE NAMED VICE PRESIDENT

PENNSYLVANIA AND NEW YORK MAY SWITCH FROM CURTIS TO KENYON

(By United Press)
Municipal Auditorium, Cleveland, June 12.—An amazing development within the ranks of Coolidge managers came while the convention was in session today that made the most complete upset in the vice-presidential situation, apparently certain and forecasting the nomination of Judge Kenyon of Iowa instead of Senator Curtis of Kansas, Senator Borah and any of the other candidates that have been mentioned.

Senator Reed Smoot of Utah told the United Press on the floor of the convention that the nomination of Kenyon could be regarded as a virtual certainty.

Pennsylvania and New York during the morning endorsed Curtis. They gave such endorsement on the qualification that Curtis would be acceptable to the White House. After arriving at the convention hall, however, they began to get intimations that something was wrong. They were told that if the name of Curtis was presented William M. Butler, the president's personal campaign manager, would take the platform himself to oppose Curtis.

New York and Pennsylvania immediately decided that they should have another caucus. They recessed immediately after the nomination of Mr. Coolidge in order to enable the state delegations to straighten themselves out in the new drift of the tide. It was understood that Pennsylvania and New York would switch their support to Kenyon. It was apparent that there was a distinct division among Coolidge managers.

Judge Declines to Class Drive to Ball Game as Demonstration Outing

St. Paul, June 12.—When an automobile dealer goes to the ball game in his automobile he cannot consider the trip a demonstration.

Judge John W. Finehout made this ruling in police court today in the trial of seven automobile dealers charged with driving cars for pleasure purposes when they had only dealers' licenses. Under the state law a dealer's license, issued for a lower fee, can only be used on a car for demonstration.

The seven dealers in court today were arrested at Lexington park when the season opened there May 1. Most of them declared they had customers at the game, but Judge Finehout ruled that when they drove to the ball park, parked the car for two hours, and then drove back again, the trip was not a demonstration, but a pleasure drive.

They were given suspended fines of \$50.

MAGNUS JOHNSON HAS RETURNED HOME

Litchfield, Minn., June 12.—Senator Magnus Johnson returned to his farm near Litchfield.

This was the first time he had been home since leaving for the opening of congress last September.

He was in Minneapolis yesterday, conferring with Farmer-Labor party leaders and left there in the morning for home.

Senator Johnson said he did not intend to take any part in the few days remaining of the state primary campaign. He has two opponents on the Farmer-Labor ticket.

Decidedly Not
Just because you can brush up a few facts you shouldn't make sweeping statements.—Boston Transcript.

BRAINERD BOY HEADS ARIZONA G. O. P. DELEGATION

Heading the Arizona delegation as its chairman is a former Brainerd man, James P. Boyle. He served in the state senate a few years ago when he lived at Eveleth but left for Arizona and is now an attorney at Douglas.

HERBERT HOOVER IS WILLING TO BE VICE PRESIDENT

CLOSE FRIENDS SAY HE WOULD NOT BE ADVERSE TO THE HONOR

HOOVER SUPPOSED STAND IS EXPLAINED IN DETAIL

(By United Press)
Washington, June 12.—Herbert Hoover, secretary of commerce, will accept the republican vice-presidential nomination if actually nominated, those close to President Coolidge believed here today.

Hoover's refusal to permit the California delegates to present his name was not taken as final. It was said that Hoover has at no time said definitely he will not accept if nominated.

He has confined his statements to declarations that he does not want the vice-presidency, and his actions may constitute moves to prevent his being forced into the open in advance of actual assurance of the nomination. It was regarded as probably that Hoover's hesitancy is based on a real desire not to put himself forward for the position and second on the wish not to be placed in the position of being open for it and then suffering the humiliation of being turned down.

HIBBING GIRL SAYS 'DICKY' LOEB ALWAYS WAS GENTLEMANLY

Hibbing, Minn., June 12.—"Dickie was a perfect gentleman."

So declared Miss Bess Osherman of Hibbing, when she admitted she and Richard Loeb, charged with murder in connection with the death of Robert Franks, were more or less personal friends.

"I met Dickie at a wonderful party at his home, three years ago, Miss Osherman asserted.

"They have a wonderful home in Chicago's most exclusive district. All the time that Dickie and I knew each other he was a perfect gentleman. I went to a party later with him."

Miss Osherman said she met "Dickie" when she was attending the national kindergarten college in Chicago.

"Dickie," Miss Osherman continued, "was awfully bright, although his temperament was so different from any of the other students at the school. He was always well-dressed and carried himself in a gentlemanly manner."

She declared there was nothing to indicate he was insane, the plea defense counsel intends to make.

"Dickie" and Miss Osherman's brother Jack are fraternity brothers in Zeta Beta Tau, national Jewish social fraternity.

CHICKENS AUTOCRATIC AND AMBITIOUS, TOO

(By United Press)
Saranac Lake, N. Y., June 12.—Adirondack hens lead the world in production and style. ILLINOIS TO GIVE CURTIS ITS 41 VOTES

REPUBLICAN WHIP OF SENATE IS "ADMINISTRATION CHOICE"

CURTIS REGARDED AS AN IDEAL "COMPROMISE" CANDIDATE

(By United Press)

Today's Program

Morning and afternoon sessions expected today.

Morning session: Meets at 10 a. m.

Prayer by Bishop Schrembs of Cleveland.

Dr. Marion LeRoy Burton, president of Michigan university, placing President Coolidge in nomination.

Nomination of President Coolidge by roll call of states.

Afternoon session: Nominations for vice-president by roll call.

Municipal Auditorium, Cleveland, June 12.—Senator Charles Curtis of Kansas, republican whip of the senate, was agreed upon early today as the "administration choice" for running mate for President Coolidge, and is expected to be nominated on an early ballot. The Illinois delegation will give him 41 votes on the first ballot, and according to Coolidge leaders he will be acceptable to the wheat states bloc who demanded the nomination of a candidate from the middle western states, and little opposition is expected to him from any source.

This development came after emphatic statements had been given by Senator William E. Borah that he would not accept the nomination.

Former Senator Beveridge, who was informed by Borah over the long distance telephone from Washington that he would not under any circumstances enter the race, wired Borah later in the morning. The wire read: "Send immediately your final decision."

If Borah persists in declining as he has indicated, the United Press is informed upon indisputable authority that the full support of republican leaders will be given to the Curtis nomination. It is understood that after Curtis republican leaders favor Major General Harbord.

Curtis is regarded as an ideal "compromise" candidate in many respects. He has broken away from the president's program only as regards the soldier bonus bill, which is not even mentioned in the platform upon which he would run with Mr. Coolidge.

Whip of the senate for many years, Curtis has developed a strong stand with the middle western farmers and women suffrage leaders. He has fostered many important pleas in behalf of both.

As vice-president Curtis would be presiding officer of the senate, and he is regarded as one of the highest authorities in congress on parliamentary procedure.

The Kansas delegation caucused this morning and voted to get solidly behind Curtis. Chairman Tinch of Kansas was elected to place the senator in nomination.

Favorite Son Talk Heard
As the word spread through the delegations arriving at the convention hall there were numerous expressions of commendation on the selection, particularly among delegates who are members of congress.

There is talk at this time that favorite son candidates—like Governor Hyde, Missouri, Charles H. March, Minnesota, Senator Watson, Indiana, L. J. Dickinson, Iowa, and C. C. Chapman, California, and others will receive at least one compromise vote so as to carry the actual nomination into two at least the second or third inning.

Shortly before the convention was called to order at 10:43 the Buffalo marching club paraded to the auditorium, their band playing. Delegates (Continued on Page 3)

SMITH DROPS IN AND VISITS "HUE"; HAS ENGINE TROUBLE

(By United Press)
San Francisco, June 12.—Lieut. Lowell Smith, commander of the American round the world flight, was forced by engine trouble to land at the little coast town of Hue in French Indo-China yesterday, according to wireless messages received here today.

Smith was leading the flight down the coast from Haiphong to Turane when the trouble developed and he was forced down. The other two fliers made a perfect landing at Turane.

CHARLES CURTIS MAY ACCEPT SECOND HONORS

SENATOR WILL TAKE VICE PRESIDENCY IF TENDERED TO HIM

CONSIDERS THE NOMINATION AS ONE OF GREAT HONOR

(By United Press)
Washington, June 12.—Senator Charles Curtis will accept the republican vice-presidential nomination if tendered.

Curtis declined to make any statement this morning when notified of the agreement of leaders to pick him as the administration vice-presidential choice, but those close to him say he will accept.

Curtis was said to feel that it is a great honor to receive the vice-presidential nomination and one not to be turned down as both Borah and Lowden have done, it was said. He was reluctant to make any statement without definite word from the convention, but it was certain what his answer would be.

Curtis was notified at 2:30 this morning that his nomination had been agreed upon. Then, an hour later, he heard that Borah was picked.

About 7:30 this morning he heard against Borah was undecided, but today reports were freely circulated that Borah would not accept. Since that time he has not heard any direct word concerning the situation. It is understood, however, that he has placed the direction of his boom squarely in the hands of his representatives at Cleveland and they are at liberty to take such action as they see fit, including nomination, without necessarily consulting him first.

MORE DRUNK THAN BEFORE PROHIBITION, CLAIM OF DOCTORS

Chicago, June 12.—Drunkenness is more prevalent now than before prohibition, Dr. Thomas C. Chalmers, Forest Hills, N. Y., told the United Press today.

Dr. Chalmers is the author of the resolution calling for liberalization of the Volstead act so far as it affects physicians, adopted by delegates of the American Medical association in convention here.

"From my observation of hospitals I am convinced there are more cases of drunkenness today," Dr. Chalmers declared.

"Immediately after prohibition I noticed a change for the better, but the pendulum has now swung the other way."

Dr. Chalmers, however, does not advocate repeal nor changes in the dry law, but he does demand more freedom for physicians. Liquor is absolutely necessary in the treatment of many diseases, he said.

"In some cases it determines between life and death," he said.

Dr. Oscar Dowling, Shreveport, La., who led the opposition to the resolution, declared: "Whiskey has no rightful place in the treatment of disease. I have found that cases in which alcoholic liquor was suggested could be treated just as well if not better by other means."

KENYON MAKES EYES AT THE VICE-PRES. JOB

IOWA JUDGE MAY GET A CHANCE FOR THE NOMINATION

HIS ACCEPTABILITY SEEMS TO BE UNQUESTIONED

(By United Press)

Washington, June 12.—A spokesman for President Coolidge today said that Judge Kenyon of Iowa would be acceptable to Mr. Coolidge as his running mate.

It was emphasized that Mr. Coolidge's views of Kenyon's acceptability, however, were by no means to be taken as an indication that he would endorse anyone above others. The statement was made in connection with the report from Cleveland that William M. Butler was intimating that Coolidge would not object to Kenyon.

SAYS POSITION FORBIDS DISCUSSION

St. Paul, June 12.—Declaring that his position on the United States Circuit Court of Appeals forbids political discussion, Judge W. S. Kenyon of Iowa today declined to say whether or not the republican nomination for vice-president would be acceptable.

"I don't expect to be nominated. You can rest assured that I don't think I will be," was his comment.

Judge Kenyon said it would be "all right with me" if the convention nominated Senator Borah. He would not take seriously the refusal of the Idaho senator to accept.

"You can say that I am for Senator Borah if he is nominated," the jurist said, apparently evading questions regarding himself.

"Iowa already has a vice-presidential candidate in Judge Dickinson. Some one is quite sure to be nominated this afternoon. I don't think it will be me."

Judge Kenyon had been in communication with his representatives, and announced he had sent two telegrams to the Iowa national committee but he did not reveal what bearing they had on the situation.

FIND BONES OF FIRST AMERICANS

(By United Press)

Los Angeles, June 12.—The petrified human remains known as the Haverly group, found recently at a depth of 23 feet during excavations on the outskirts of this city, are believed to be those of men who lived on this continent from 10,000 to 25,000 years ago.

This opinion was concurred in at a recent meeting of scientists held in Washington, D. C., according to W. A. Bryant, director of the Los Angeles museum, who attended.

Dr. Bryant presented the report of Dr. Chester Stock, head of the department of paleontology of the University of California, to the scientists. The report stressed the point that the accumulation of 23 feet of sedimentary material found above the remains has apparently taken place after their lodging where they were found.

In an investigation now being conducted, it is hoped to more closely determine if the bones are of pleistocene origin.

BRAZIL'S NAVY OLD; U. S. MISSION AIDING

(By United Press)

Rio de Janeiro, Brazil, June 12.—The Brazilian navy is gradually being reorganized, with the assistance of a mission from the United States navy. President Bernardes is averse to spending any large sums on the navy, although Brazil has a vast coast line. With the exception of two battleships, the Brazilian navy is composed of antiquated and in part obsolete vessels. Of her ten destroyers, 8 are now in the drydocks for repairs.

COUNTY NURSE REPORT

Miss Thora Ingebritson Gives Account of Work Done in May

Following is the report of the county nurse, Miss Thora Ingebritson, for the month of May, 1924:

School Work

Most of the month was spent in making individual inspections of

school children. Ten schools were visited for individual inspections and one for class room inspection because of "pink eye." Thirteen health talks to school children were given. The following districts were visited: 41, 7, 45, 110, 66, 107, 114, 93, 14, 39 and 49. The total number inspected was 519, 493 being inspected individually and 26 in class room inspection. There were 314 pupils defective and 154 pupils with defects corrected. Seven children were excluded because of symptoms of scabies, mumps and "pink eye." There were 111 children who were 10 per cent underweight. One parents' meeting was held.

Calls

A total of 48 homes were visited, and 53 calls made. There were 11 nursing care; 13 instruction and demonstration; 3 investigation (small pox, ex-service and mine disaster) and 26 miscellaneous.

Two patients were taken to doctors, one to the tuberculosis clinic and one to a hospital.

One tuberculosis clinic was held with an attendance of 8.

Six meetings were attended.

CHAMBER COMMERCE HAS A BIG SESSION

Mons Mahlum Reported on Progress
Made in Building Athletic
Park

PUBLICITY AND CONVENTIONS
Traffic Committee to Take up Safety
Measures at 13th and Oak
Streets

The Brainerd Chamber of Commerce held a very interesting and important meeting on Wednesday night. Considering the counter attractions the members turned out in very good numbers. This is the only meeting that will be held during this month, and only one meeting will be held during the balance of the summer months.

Mons Mahlum reported for the special athletic park committee, stating that considerable time has been spent by his committee in soliciting funds for the improvement of the park, which is to be located in the ravine between the Northeast Brainerd fill and the railway tracks.

Although collections have been a little slow, Mr. Mahlum believes that sufficient funds will be available to improve the grounds and possibly build a fence. A contract has been made to have the ground improved and the committee believes the ground will be ready for the ball players in a week or ten days. The committee was given further time in which to complete its work.

The chairman of the publicity and conventions committee reported on the matter of placing a sign on Trunk Highway No. 18 at the Workman corner, eighteen miles east of the city. This sign, directing motorists to Brainerd, was erected at a cost of \$40.

A letter was read from the Western Union Telegraph Company in regard to service rendered at Minneapolis during the "Better Sires Day" program.

John A. Hoffbauer reported on his attendance at the U. C. T. state convention at Albert Lea, stating that while Brainerd had made a strong bid for the 1925 convention, it could not be obtained because of alleged inadequate housing facilities that were made against the city. He said he did everything to remove such an impression, asserting that in addition to local hotel service, there were homes in the cities to rent rooms, also the large and increasing lake resorts to offer housing, and that Brainerd had adequately cared for thousands at the time of its 50th anniversary celebration.

On motion, the matter of utilizing the old court house property was referred to the industrial promotion committee, with instructions to attend the next meeting of the county commissioners and obtain an option or written agreement for the use of the building for a certain period. On motion A. L. Hoffman was added to the industrial promotion committee.

James Knutson and Charles Collins made up a delegation from Remer that appeared before the Chamber requesting the support of this organization in the matter of opening a new road into the Remer territory. On motion the traffic committee together with Frank J. Lowey, Walter M. Murphy and C. W. Hoffman is to investigate and look over the matter, and if it is found advisable, to appear before the commissioners and request them to give it their support.

A communication was read from the Western Railways' committee on public relations in regard to having a representative address the Chamber at some future meeting. This communication is to be acknowledged and an invitation extended for a meeting early in the fall.

President F. H. Gruenhagen reported that the secretary of the Grand Forks commercial club has been in Brainerd in regard to the marking of the Theodore Roosevelt highway through this city and to the twin cities. This work is now under way and the Grand Forks club has asked for assistance. On motion F. G. Hall was appointed chairman of a committee to solicit hotel proprietors and others in an effort to raise a small fund with which to carry on this work.

County Highway Engineer Walter M. Murphy brought up the dangerous intersection of Thirteenth and Oak streets, Southeast. This will be a heavy traffic corner within the next month, when the state highway department routes its trunk highway No. 27 from Little Falls to Brainerd over the Thirteenth street road. The traffic committee of the Chamber is to appear before the council with the request that some safety measures be

taken in this regard, especially during the months of heavy traffic.

Wade Smith, representing the Rotogravure News Service, addressed the Chamber, explaining the rotogravure news section which will be featured by the Brainerd Dispatch semi-monthly, beginning in the near future. Mr. Smith gave a very good talk on the importance of newspaper advertising and the service to advertisers that will be rendered in the rotogravure section of the Dispatch.

Applications for membership in the Chamber were received from Roy Williams, chiropractor, J. A. Kraus, manager of the Lampert Brothers Lumber Company, and Rev. N. P. Olmsted, pastor of the First Congregational church. On motion the rules were suspended and the secretary was instructed to cast the unanimous vote of the Chamber for the election to membership of these three applicants.

CURTIS MAY BE CHOICE FOR VICE PRESIDENCY

(Continued from page 1)

gates stood on chairs, and they, with the galleries, rose up in profound cheers—a sort of getaway for the enthusiasm for the day.

As the convention was called to order the band played the Star Spangled Banner, and Bishop Schrems of the Roman Catholic diocese of Cleveland was introduced to lead in prayer.

Senator Wadsworth Recognized

After the prayer and the singing of America, the chair recognized Senator Wadsworth of New York, who sprang to the platform as the convention cheered. He declared that he had been directed by the delegation from New York to offer a resolution—a recommendation for the dispatch of a telegram of greeting to Chauncey M. Depew expressing their regret that the state of Depew's health had made it impossible for him to attend this convention.

The message expressed hope and expectation that the convention four years hence would hear Depew speak. The naming of a committeeman from each state—the first time that this has been done in the history of the party—brought cheers from every delegation.

When Senator Willis arose to name the Ohio committeeman and

committeewoman he was recognized as the "big handsome boy," who just four years ago said: "Now boys and girls, let us get together and nominate Warren G. Harding as the next president." He was noisily received.

At the conclusion of the announcement of the next national committee makeup, the addition of woman members brought into this body two instances of husband and wife occupying the two positions, one Hawaiian princess and numerous instances of women prominent in circles of wealth and social position.

A resolution was introduced by Senator McKinley of Illinois specifying that the contest over election of a national committeeman from Porto Rico be referred to the republican national committee for solution.

Senator Norbeck of South Dakota got the floor and asked that an amendment be adopted to include Alaska. Norbeck said he understood that there was only one delegation from Alaska and that delegate had named himself committeeman.

Herman L. Ekern of Madison, Wisconsin, member of the LaFollette progressives, protested against adoption of the Porto Rico resolution, saying the committee on credentials had taken care of the matter in its hearings.

The amended resolution, however, was adopted. The ayes did not seem loud as the noes, but Chairman Mondell said the ayes have it while the convention laughed and chided him.

The new national committeemen were then formally elected by the convention.

A band of veterans—"The Old Guard of Columbus, O."—marched down the center of the hall behind a fife and drum corps. The audience joined in singing "Tramp, Tramp, Tramp, The Boys Are Marching."

5 Minute Rule for Seconding Speeches

Preliminary to the call to order for the nomination of the president a five-minute rule was set for the seconding speeches. At the call of Alabama, the chairman of the Alabama delegation arose and declared "Alabama yields to Massachusetts."

Governor Cox, chairman of the Massachusetts delegation, called on Dr. Marion LeRoy Burton of Michigan to speak on behalf of President Coolidge's friends in placing his name before the convention.

Dr. Burton Nominates Coolidge

A tall, slender man, Dr. Burton spoke rapidly. He declared that in

making his speech he knew exactly what the result of it would be and that "nominating this candidate, we are virtually electing the next president of the United States."

The formality of nominating Mr. Coolidge was preceded by an extraordinarily clever and eloquent speech by Dr. Marion LeRoy Burton of Michigan—a personal friend of the president.

Dr. Burton departed from his set speech to engage in humorous sallies at his audience, and spoke entirely without his manuscript.

He was distinctly a hit with the crowd.

Speaking of Mr. Coolidge's personal traits, Dr. Burton said of the president's modesty: "He may be an example, but he never set one."

Many were Dr. Burton's sallies at the president's sense of humor and trait of silence. "He is the exemplification," Dr. Burton said, "of prodigality of thought and economy of expression."

Again he said: "His mind has time to work because his tongue permits it."

Not Naturally Hilarious

Throughout Dr. Burton painted a picture of his subject in warm and familiar colors, and won his audience with his own sense of humor. Of the same trait in Mr. Coolidge the speaker declared the president had a sense of humor all right "but he is not naturally hilarious," he admitted as the convention laughed and cheered in applause.

"You know we appreciate your applause," Dr. Burton declared at the outburst, "but we wish you would be still. You know," he added, "this business of public speaking is terrible. But if at any time you get tired of it, remember I have to listen to it and have to make it also."

Card of Thanks

We wish to thank our friends and neighbors for their kindness and sympathy shown us during sickness and death of our beloved husband and father, also for the many beautiful floral offerings.

Jack, Mike and John Setula.
Mrs. Jacob Setula.
Mr. and Mrs. F. M. Milloch.

Valuable Advice

While thou livest, keep a good tongue in thy head.—Shakespeare

What's a Poor Man to Do?

It begins to look as if what little privacy is still left in the world will soon be wiped out. Someone who doesn't care two cents for the happiness of the so-called human race now comes forward with the cheerful prediction that, in a few years individual wireless will be as common as bootleggers.

This will be the greatest modern inconvenience ever thrust upon an unsuspecting public. Think of the many occasions when you didn't want to be paged.

You might, for example, be eloping with somebody else's wife and right in the midst of it, along comes a wireless from her legitimate husband. And a wireless isn't like a telephone call—you can't ignore it. A wireless can walk in on you even if you are otherwise engaged.

What a cinch it will be for the process servers, who can hand you a subpoena simply by setting loose a few vibrations in the ether. Corporation officials won't be able to escape the unpleasant duties of appearing in court just by ducking out the back door and running off to the golf links, when they see the process server coming up the front steps.

The more we think of it, the more we feel that wireless's place isn't in the home. It's all right for the Weather Bureau to make use of it, to report that it looks like rain, but we don't need it hornning in on our private affairs.

NOCOLENE

Keep a
Ready Supply in
Your Motor Garage

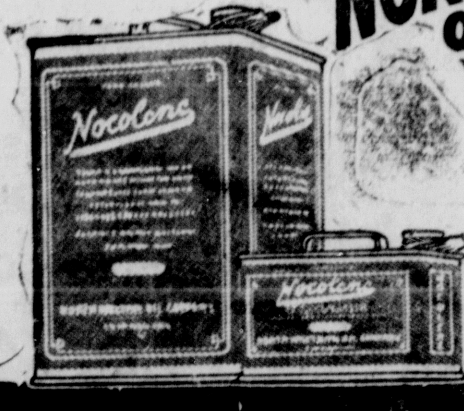

Only too often motorists find their engines by "taking a chance" on the kind of oil they use. Most engine repairs can be traced directly to improper and inadequate lubrication.

To get most mileage from your motor, quick response, and smoother and "cooler" operation, use NOCOLENE. Use it constantly. Drain the used oil from your crank case every 500 miles and fill with NOCOLENE. Keep a 5-gallon can of NOCOLENE in your garage, and a 2-quart can under the back seat of your car.

There's a "Northwestern" Dealer or Service Man in your neighborhood. Drive in. He will refer to the Northwestern Lubrication Guide and supply you with the correct grade of NOCOLENE for your car.

CHAMBER COMMERCE HAS A BIG SESSION

**Mons Mahlum Reported on Progress
Made in Building Athletic
Park**

PUBLICITY AND CONVENTIONS
**Traffic Committee to Take up Safety
Measures at 13th and Oak
Streets**

The Brainerd Chamber of Commerce held a very interesting and important meeting on Wednesday night. Considering the counter attractions the members turned out in very good numbers. This is the only meeting that will be held during this month, and only one meeting will be held during the balance of the summer months.

Mons Mahlum reported for the special athletic park committee, stating that considerable time has been spent by his committee in soliciting funds for the improvement of the park, which is to be located in the ravine between the Northeast Brainerd Hill and the railway tracks.

Although collections have been a little slow, Mr. Mahlum believes that sufficient funds will be available to improve the grounds and possibly build a fence. A contract has been made to have the ground improved and the committee believes the ground will be ready for the ball players in a week or ten days. The committee was given further time in which to complete its work.

The chairman of the publicity and conventions committee reported on the matter of placing a sign on Trunk Highway No. 18 at the Workman corner, eighteen miles east of the city. This sign, directing motorists to Brainerd, was erected at a cost of \$40.

A letter was read from the Western Union Telegraph Company in regard to service rendered at Minneapolis during the "Better Sires Day" program.

John A. Hoffbauer reported on his attendance at the U. C. T. state convention at Albert Lea, stating that while Brainerd had made a strong bid for the 1925 convention, it could not be obtained because of alleged inadequate housing facilities that were made against the city. He said he did everything to remove such an impression, asserting that in addition to local hotel service, there were homes in the cities to rent rooms, also the large and increasing lake resorts to offer housing, and that Brainerd had adequately cared for thousands at the time of its 50th anniversary celebration.

On motion, the matter of utilizing the old court house property was referred to the industrial promotion committee, with instructions to attend the next meeting of the county commissioners and obtain an option or written agreement for the use of the building for a certain period. On motion A. L. Hoffman was added to the industrial promotion committee.

James Knutson and Charles Collins made up a delegation from Remer that appeared before the Chamber requesting the support of this organization in the matter of opening a new road into the Remer territory. On motion the traffic committee together with Frank J. Lowey, Walter M. Murphy and C. W. Hoffman is to investigate and look over the matter, and if it is found advisable, to appear before the commissioners and request them to give it their support.

A communication was read from the Western Railways' committee on public relations in regard to having a representative address the Chamber at some future meeting. This communication is to be acknowledged and an invitation extended for a meeting early in the fall.

President F. H. Gruenhagen reported that the secretary of the Grand Forks commercial club has been in Brainerd in regard to the marking of the Theodore Roosevelt highway through this city and to the twin cities. This work is now under way and the Grand Forks club has asked for assistance. On motion F. G. Hall was appointed chairman of a committee to solicit hotel proprietors and others in an effort to raise a small fund with which to carry on this work.

County Highway Engineer Walter M. Murphy brought up the dangerous intersection of Thirteenth and Oak streets, Southeast. This will be a heavy traffic corner within the next month, when the state highway department routes its trunk highway No. 27 from Little Falls to Brainerd over the Thirteenth street road. The traffic committee of the Chamber is to appear before the council with the request that some safety measures be

taken in this regard, especially during the months of heavy traffic.

Wade Smith, representing the Rotogravure News Service, addressed the Chamber, explaining the rotogravure news section which will be featured by the Brainerd Dispatch semi-monthly, beginning in the near future. Mr. Smith gave a very good talk on the importance of newspaper advertising and the service to advertisers that will be rendered in the rotogravure section of the Dispatch.

Applications for membership in the Chamber were received from Roy Williams, chiropractor, J. A. Kraus, manager of the Lampert Brothers Lumber Company, and Rev. N. P. Olmsted, pastor of the First Congregational church. On motion the rules were suspended and the secretary was instructed to cast the unanimous vote of the Chamber for the election to membership of these three applicants.

THURSDAY, JUNE 12, 1924

THE FEMININE NOTE IN THE CONVENTION

AND now the feminine note in the political convention! Women writers, sent specially to cover the republican national convention in Cleveland, describe the latest gowns worn by the lady delegates. Paris modes mingled with home gowns.

While purple, red and blue lights bathed the convention hall in soft colors, they were no more prominent than the colorful effect given by the beautiful gowns worn. Here is how Miss Dorothy Shumate, special correspondent of the United Press, described the attire of Mrs. Leonard Wood, Pittsburgh. She was charming in a champagne georgette creation which defied description. Her scarf of the same color was wound fetchingly around her neck and she wore slippers and hose of the same color. Her broad-brimmed hat was of dark brown maline with paradise feathers of the same shade flat on the brim.

Others wearing exceedingly charming dresses were Mrs. Charles Sabin of New York; Mrs. Alvin T. Hert, successor to Mrs. Harriet Taylor Upton as vice chairman of the national committee; Miss Betsy Edwards, in charge of Coolidge campaign headquarters; Mrs. Paul Hallowell, delegate at large from Iowa.

Dress adds to a woman's charm and appeal, especially if it is chosen in a way to add to the wearer's personality. Dress carries its appeal to men and especially women, and we can well imagine with what care the woman candidate for high office, will decide on the proper hat, the proper gown, the shoes and all the other accessories. Not every candidate may win a prize for beauty, but at least every candidate, we are assured, will see that her personality is enhanced by wearing that something which becomes her.

Woe betide the candidate who may go among the voters, with dress striking a jarring note in color. The average woman will forgive much, but she cannot bear to see ill chosen colors, material, etc. Women have so much finer sensibilities in this regard than men.

A man, for instance, will go on the stump, and like some historic characters, even shed his coat, collar and tie. But woe betide any woman who seeks so to appeal to men and women. Lack of proper attire would merely arouse fierce resentment in the spectators, be they men or women.

Eve, in the garden of Eden, had no political conventions to bother about, but even the first lady of the land was careful to wear the nicest foliage she could pick in the garden and later, upon leaving that sunny clime, supplemented her attire with the best offerings of birds and beasts in the way of feathers and skins.

THE VICE PRESIDENCY

THE vice presidency seems to be a position that no one seems anxious to accept and brings back to mind the convention which actually forced the job on Roosevelt. The office later became a stepping stone to the presidency and the supposed shelving of Roosevelt actually meant, in the end, his advancement to the highest office in this land.

Any number of prominent republicans have sidestepped the candidacy for the vice presidency. Some have seemed coy about the matter, declining, but still seeming open to the wishes of the convention. The prime requisite to be considered, we should think, is to name as candidate one who will strengthen the ticket and who can work agreeably with Coolidge.

Sentiment has been expressed for a man from the Middle West, but the supreme contention was to agree on somebody. Wisconsin did not harmonize with such sentiment and expressed an independent course.

ASK ONLY SIMPLE JUSTICE

THE affliction of the Loeb and Leopold families of Chicago is one which calls for sympathy, too. Their sons are accused of terrible crimes. It comes as a feeling of relief, the statement of the fathers, that their millions will not be used to thwart justice in the coming trials which charge murder in the first degree and kidnapping for ransom.

"Only such defense as that to which every human being is entitled will be provided for their sons," is the declaration made in a statement published in the papers. "Assuming the facts in this case are substantially as published, then the only proceeding they favor is a simple, solemn investigation under the law, touching the mental responsibility of their accused sons."

Even the matter of fees, one involving also ethical considerations, is one which has been taken up and left for the Chicago Bar Association to decide on how much shall be paid in fees to the lawyers and alienists summoned for the defense.

ACCIDENT PREVENTION

THOUGHTLESS words, followed by action indicated, result in the loss of many lives. Here's a list of innocent words which cost the lives of tens of thousands of persons annually, says R. E. Kropf, who is engaged in preaching the doctrine of accident prevention among the councils of the Royal Arcanum in the United States and Canada.

"Step on it. The train is a mile away."
"I'm sure these are headache tablets. They come in that kind of a box."

"That gun's safe. I unloaded it the last time I used it."
"Ever drive a car before? Try it—it's as easy as pushing a wheelbarrow."

"It's too shallow here. Let's swim beyond the life lines."

CAR DRIVER VERSUS ENGINEER

WHAT would happen to the engineer of a locomotive if he were discovered sitting at the throttle with a pet dog in his lap, adjusting his glasses and reading billboards along the way, while traveling forty miles an hour?

If he took his 12-year-old boy along and permitted him to run the machine?

If he discussed the baseball game with his fireman and missed a number of signals, even though "nothing happened?"

He'd lose his job—if not his life. But the "engineer" of a motor car is supposed to be "different." He is excused on the grounds that he ought to know better.

THURSDAY, JUNE 12, 1924

THE FEMININE NOTE IN THE CONVENTION

AND now the feminine note in the political convention! Women writers, sent specially to cover the republican national convention in Cleveland, describe the latest gowns worn by the lady delegates. Paris modes mingled with home gowns.

While purple, red and blue lights bathed the convention hall in soft colors, they were no more prominent than the colorful effect given by the beautiful gowns worn. Here is how Miss Dorothy Shumate, special correspondent of the United Press, described the attire of Mrs. Leonard Wood, Pittsburgh. She was charming in a champagne georgette crepe creation which defied description. Her scarf of the same color was wound fetchingly around her neck and she wore slippers and hose of the same color. Her broad-brimmed hat was of dark brown maline with paradise feathers of the same shade flat on the brim.

Others wearing exceedingly charming dresses were Mrs. Charles Sabin of New York; Mrs. Alvin T. Hert, successor to Mrs. Harriet Taylor Upton as vice chairman of the national committee; Miss Betsy Edwards, in charge of Coolidge campaign headquarters; Mrs. Paul Hallowell, delegate at large from Iowa.

Dress adds to a woman's charm and appeal, especially if it is chosen in a way to add to the wearer's personality. Dress carries its appeal to men and especially women, and we can well imagine with what care the woman candidate for high office, will decide on the proper hat, the proper gown, the shoes and all the other accessories. Not every candidate may win a prize for beauty, but at least every candidate, we are assured, will see that her personality is enhanced by wearing that something which becomes her.

Woe betide the candidate who may go among the voters, with dress striking a jarring note in color. The average woman will forgive much, but she cannot bear to see ill chosen colors, material, etc. Women have so much finer sensibilities in this regard than men.

A man, for instance, will go on the stump, and like some historic characters, even shed his coat, collar and tie. But woe betide any woman who seeks so to appeal to men and women. Lack of proper attire would merely arouse fierce resentment in the spectators, be they men or women.

Eve, in the garden of Eden, had no political conventions to bother about, but even the first lady of the land was careful to wear the nicest foliage she could pick in the garden and later, upon leaving that sunny clime, supplemented her attire with the best offerings of birds and beasts in the way of feathers and skins.

THE VICE PRESIDENCY

THE vice presidency seems to be a position that no one seems anxious to accept and brings back to mind the convention which actually forced the job on Roosevelt. The office later became a stepping stone to the presidency and the supposed shelving of Roosevelt actually meant, in the end, his advancement to the highest office in this land.

Any number of prominent republicans have sidestepped the candidacy for the vice presidency. Some have seemed coy about the matter, declining, but still seeming open to the wishes of the convention. The prime requisite to be considered, we should think, is to name as candidate one who will strengthen the ticket and who can work agreeably with Coolidge.

Sentiment has been expressed for a man from the Middle West, but the supreme contention was to agree on somebody. Wisconsin did not harmonize with such sentiment and expressed an independent course.

ASK ONLY SIMPLE JUSTICE

THE affliction of the Loeb and Leopold families of Chicago is one which calls for sympathy, too. Their sons are accused of terrible crimes. It comes as a feeling of relief, the statement of the fathers, that their millions will not be used to thwart justice in the coming trials which charge murder in the first degree and kidnapping for ransom.

"Only such defense as that to which every human being is entitled will be provided for their sons," is the declaration made in a statement published in the papers. "Assuming the facts in this case are substantially as published, then the only proceeding they favor is a simple, solemn investigation under the law, touching the mental responsibility of their accused sons."

Even the matter of fees, one involving also ethical considerations, is one which has been taken up and left for the Chicago Bar Association to decide on how much shall be paid in fees to the lawyers and alienists summoned for the defense.

ACCIDENT PREVENTION

THOUGHTLESS words, followed by action indicated, result in the loss of many lives. Here's a list of innocent words which cost the lives of tens of thousands of persons annually, says R. E. Kropf, who is engaged in preaching the doctrine of accident prevention among the councils of the Royal Arcanum in the United States and Canada.

"Step on it. The train is a mile away."
 "I'm sure these are headache tablets. They come in that kind of a box."

"That gun's safe. I unloaded it the last time I used it."
 "Ever drive a car before? Try it—it's as easy as pushing a wheelbarrow."

"It's too shallow here. Let's swim beyond the life lines."

CAR DRIVER VERSUS ENGINEER

WHAT would happen to the engineer of a locomotive if he were discovered sitting at the throttle with a pet dog in his lap, adjusting his glasses and reading billboards along the way, while traveling forty miles an hour?

If he took his 12-year-old boy along and permitted him to run the machine?

If he discussed the baseball game with his fireman and missed a number of signals, even though "nothing happened?"

He'd lose his job—if not his life. But the "engineer" of a motor car is supposed to be "different." He is excused on the grounds that he ought to know better.

Knots of Flat Wool

One dress which typifies the wool flower mode now being exploited, is a plain narrow affair of smoke gray wool. On the triangular pockets and in the center of the bodice are, like knots of flat wool, clover blossoms in yellow, green and red.

A Mean Jab.

"Do you remember the time when your father drove a donkey cart?" The candidate for election fixed his glasses and gazed thoughtfully at the interrupter. Then he replied: "As a matter of fact, I had quite forgotten the cart. But I am thankful to see the donkey is still alive."

EARLE WILLIAMS and PAT O'MALLEY in "THE ETERNAL STRUGGLE"

Reginald Barker has done it again! The man who made "The Storm" and "Hearts Afire" has added another supreme dramatic achievement to his credit in "The Eternal Struggle," the Metro picture now playing at the New Park tonight and Friday. The story is superbly handled and keeps one enthralled throughout the entire unfoldment.

The cast is in keeping with the superior direction, for each one of the players is a top-notch performer in an ordinary production. Renee Adoree, who is a comparative newcomer to the films, as Andree Grange, the tempestuous little French Canadian, gives a performance that ranks her among the great stars at the top of the ladder. Pat O'Malley, as the devil-may-care Bucky O'Hara, does some of the best work of his career, surpassing his superlative performance in "Brothers Under the Skin." Barbara La Marr, as Camille Lenoir, is cast as an adventuress, as she was in "Trifling Women" and "The Prisoner of Zenda," and she gives a superb performance. Earle Williams, Wallace Beery, Josef Swickard and Anders Randolph complete the excellent cast.

Wm. Russell in "Times Have Changed" at Lyceum

The cast of "Times Have Changed," the William Russell attraction just completed by William Fox and ready for presentation at the Lyceum Theatre on Friday and Saturday, contains many notables whose work in past productions augurs well for their performance in this new comedy-drama.

In addition to William Russell, there is Mabel Julianne Scott, a lead-

ing lady whose work with Thomas Meighan has established her as one of the screen's leading luminaries. Allene Ray, a vivacious type of ingenue, entered the portals of screen-dom via the beauty contest route. She is seen as a modern "flapper" in "Times Have Changed" in a character which suits her ideally.

Pola Negri in "Montmartre," Last Showing Tonight

Pola—Paris—Lubitsch! "Montmartre" has all three—and more. Pola Negri's latest Paramount picture, which was shown for the first time in Brainerd at the Lyceum Theatre yesterday, and which has its last showing at the Lyceum tonight at program prices, is a story of the

Pola Negri in the Paramount Picture "Montmartre"

Latin Quarter of the French capital, directed by Ernest Lubitsch.

For those who remember the Pola of "Passion" and her other continental triumphs, we'll say that the popular star has returned to the kind of roles that first made her famous. You have to go way back to the days of "Passion," etc., to find anything that even begins to measure up to "Montmartre." It has something for everyone—love, humor, pathos, thrills, big scenes and all the rest.

Painter "Covered" Many Wars

The famous British war artist, Frederic Villiers, who died recently in London, began painting with the Russo-Turkish war of 1877. South Africa, Port Arthur, Tripoli, the Balkan wars and the World War were all covered by him.

She Can Do It

A man may have his price, but it takes a woman to make him feel like a bargain-counter remnant.—Boston Transcript.

Checkers

In England the game of checkers is known as draughts; in France, jeu des dames; Holland, damrod; Poland, dama; in the Arabic of Egypt, damah. The recurrence of the forms of "dame" is attributed to the fact that part of the board and some of the draughts of Queen Hatasa, daughter of Thothmes, who lived in Egypt 1600 B. C., were found.

Paving Brick

Fifty-nine varieties of vitrified paving brick have been eliminated, and the styles and sizes reduced from 66 to 7.

NOTED WOMAN SPEAKER COMING

Mrs. W. W. Remington, Chairman of
Sageng For Senator Womens'
Committee

ADDRESS FRIDAY EVENING

Lady is Said to Rival Annie
Dickie Olson in Per-
sonality

Mrs. W. W. Remington, chairman of the "Sageng For Senator Womens' Volunteer Committee" will speak in Brainerd on Friday evening, June 13th, at the farmers room in the court house at eight o'clock.

The women of Brainerd have long wished to hear Mrs. Remington, but her price has been prohibitive. Here is an opportunity to hear her free of charge on a subject that will command her best efforts, because it is one that she is keenly interested in.

Mrs. Remington is said to rival Annie Dickie Olson in persuasive ness and personality, and the Republican party probably has no better woman speaker in Minnesota. If you are not for Ole Sageng, come and hear a good speaker, no matter what your politics may be.

Men and women are both invited, but new voters, who are anxious to have their first vote an intelligent one, are especially advised to attend this meeting.

It is particularly fitting that one who comes to plead the cause of Ole Sageng for senator should speak in the room in the court house that is especially set aside for the use of farmers, for he is a farmer himself and a friend of the farmer and the working man.

Not Precarious

"Your life hangs by a thread," said the doctor. The patient breathed a sigh of relief; he was married, and often had buttons remain that way for a long, long time.—Boston Transcript.

U. S. TOO BUSY TO GROW OLD HAPPILY, SAYS MEDICAL MAN

(By United Press)
Chicago, Ill., June 12.—How to grow old successfully was told today by Dr. H. H. Drysdale, Cleveland, to the convention of the American Medical Association here.

The "frenzied finance" habit is responsible for a lot of unsuccessful age, he declared.

"It won't allow a patient to forget his responsibilities, and he must do that if he's to prosper in health," he explained.

"The national sin of overeating is another barrier to happy old age. It's one of the heaviest burdens an elderly man can have."

But overeating may decrease because of prohibition, he added, declaring that alcohol, taken before meals, had been an important cause of gluttony.

"The advent of prohibition, with the disappearance of chronic alcohol cases, will do much to lower the death rate," he declared, and he warned the physicians:

"Make no compromises with such patients or you will fail in your mission. Your duty is to appeal to such patients' reason for a sane and rational mode of life."

America is in the midst of an "epi-

demic of injuries," Dr. J. Howard Beard of the University of Illinois, Urbana, told the convention.

"Railroad crossing tragedies, auto accidents, exhaust gas poisonings, caused by motor cars, industrial accidents and suicides caused by the strain of modern city life are taking the place of the old time menaces to life," he said.

"When Gorgas drained yellow swamps, when Pasteur discovered vaccines, when Lister developed aseptic surgery, and hundreds of other doctors developed cures, the old menaces had been solved.

"But now the suicide rate is about that of the whooping cough death rate. About as many people were killed in crossing accidents last year as died of scarlet fever in 1920. Fatalities resulting from auto accidents in 1923 are about the same as those from diphtheria and scarlet fever combined. Accidental deaths in industries are about equal to the total of deaths from measles, whooping cough and diphtheria. There are 700,000 persons injured yearly in their occupations."

Important Steps In Storekeeping

There are two most important steps along the pathway to our providing satisfying service to you: One, to form ideals; the other, to adhere to them!

We have such ideals which we believe, are proven in the kind of service we give you. In order that these ideals may be followed, your help is desired.

Should, at any time, we seem neglectful of your interests it is more than likely we will not know it unless you tell us. Unless we have your help we may not reach the Pinnacle of Usefulness. That's our goal!

J.C. Penney Co.

A history maker— and still the Leader!

The World's Largest
Producer of
Quality Automobiles

THE STUDEBAKER Light-Six—a history maker—the first fine six-cylinder car under 3,000 pounds at a four-cylinder price.

A car with followers, imitators and adapters by the score—but with no rival in quality, popularity or sales volume. It is still the Leader!

A car built to fulfill the ideal of producing the greatest automobile value in the \$1,000 field—the car which started the stampede from fours to sixes.

A car with a specially designed offset valve motor of remarkable quietness, economy, freedom from vibration—and with tenacious resourcefulness of power on the hills, the straightaway and the pickup!

A car comfortable, roomy, good-looking, very easy to handle on the road, in traffic or in parking—long-lived, low in first cost and especially low in up-keep costs. The market's one best bargain for the man who wants all the car he can get at about \$1,000.

A car that is an investment, not an expense, because it can be bought on very liberal terms, sold or traded in at a very high resale value on a market always ready and waiting for a used Light-Six Studebaker—its popularity and demand as a used car are the most convincing evidence of its goodness as an automobile.

CAR ACCIDENT IS FATAL TO BOY

Six Year Old Gerald Stallman, Son of Fred R. Stallman, Struck by Automobile

SKULL WAS FRACTURED

William Brown, Driver of Car, Ordered to Appear at the Inquest

Gerald Frederick Stallman, six year old son of Fred R. Stallman, 500 South Ninth street, died at St. Joseph's hospital Wednesday evening from injuries received when he was struck by an automobile, owned and driven by William Brown, 223 North Ninth street. The accident occurred about 5:45 o'clock Wednesday evening, near the J. J. Dye store on Oak street between Ninth and Tenth streets.

According to the story told the police, Gerald was crossing Oak street toward the store, where he saw his aunt, Miss Ruby Stallman. Mr. Brown was driving west on Oak street, according to his statement going about twenty miles per hour. He swerved to the left side of the street in an effort to miss the child, but struck the little fellow, throwing him to the street. The car stopped about twenty feet from where the accident occurred.

The boy was picked up and taken to the hospital by William Davis. He died about a half hour later, without regaining consciousness, the physicians stating that the skull was fractured.

Mrs. A. Paulson, 917 Oak street, notified the police and Capt. Erick Graff was on the scene in a few minutes after the accident took place. He took Mr. Brown into custody and released him shortly after on his promise to be in court at ten o'clock Thursday morning. The car, a Cleveland six, is in the possession of the police.

With Mr. Brown in the automobile were his two sons, and Elder John S. Lewis, of Payson, Utah, and Elder Robert C. Anderson, of Mantle, Utah. The witnesses to the accident were children playing nearby, and included Harold Lee, Chester and Luverne Haskins, Otto and John Dahl. Brown is a foreman in the Northern Pacific shops.

No funeral arrangements have as yet been made, pending word from relatives in the West.

Coroner's Inquest Held

The coroner's inquest was held at 2:30 o'clock this afternoon. The jury was composed of C. D. Johnson, James Alderman, A. L. Hoffman, J. G. Dawes, John Bye and Louis Menard.

The witnesses called, in addition to William Brown, were Anderson and Lewis, who were riding with Brown when the accident occurred, Erick Graff, Miss Lena Goedder, Mrs. Roy Wiggins, Harold Lee, Otto Dahl, John Dahl, and Chester Hughes.

All of these witnesses agreed as to the general points in the case; that the Stallman boy ran out into the street without looking to either side, that Mr. Brown was driving at a moderate speed, and that he made an effort to avoid the collision.

W. C. T. U.

The W. C. T. U. will meet at the Y. M. C. A. building on Friday afternoon, June 13th, at three o'clock. All members are urged to make a special effort to attend.

CORONER'S JURY BRINGS IN VERDICT

The coroner's jury brought in its verdict at four-thirty o'clock Thursday afternoon, as follows:

"We find that Teddy Stillman came to his death by being run over by an automobile driven by William Brown, and that Mr. Brown was not driving at an excessive rate of speed and endeavored to avoid a collision with the boy, who was running across the street in the middle of the block between Ninth and Tenth Streets South on Oak Street, on Wednesday afternoon, and that the accident was unavoidable."

HENRY C. MILLS

WINNING HONORS

Stand: Fourth in National List of Salesmen for Business Gained in Month of Contest

IN SELLING HUPP CARS

Exceeded Only by Three Salesmen Respectively From Chicago, Pennsylvania and Michigan

The Lively Auto company received word today that in the national salesmen's contest being conducted by the Hupp Motor Car corporation, in which \$50,000 in prizes are to be given away to the salesmen selling the most cars, Henry C. Mills, at the close of the first month of the contest, stood fourth among all salesmen of the company in the United States.

The three salesmen competing exceeding Mr. Mills come respectively from Chicago, Pennsylvania and Michigan. This record speaks well for the salesmanship qualities of Mr. Mills and stamps him as a go-getter in the business world. The final outcome of the contest will be watched with increasing interest.

LITTLE FALLS ELKS INVITE LOCAL BROTHERS

Little Falls Elks have extended an invitation to Brainerd Lodge Elks to visit them this evening. The invitation includes Elks and their wives. There will be a friendly ceremony marking the adoption of a class of 30 candidates. During that time there will be entertainment for the ladies too, a special ladies reception committee of Little Falls lodge acting as hostesses for the visiting Elks' wives.

The Brainerd contingent to visit Little Falls includes Col. and Mrs. C. D. Johnson, Exalted Ruler and Mrs. A. K. Cohen, Secretary and Mrs. John J. Cummins. Others may join this party which leaves at 7 p. m.

Done Brown

"Mamma," said a little boy, who had been sent to dry a towel before the fire, "is it done when it is brown?"—Pearson's Weekly, London.

"GET OUT THE VOTE" COMMITTEE

League of Women Voters to Make a House to House Canvass of City

WANT BIG PRIMARY VOTE

Women Carry no Sample Ballots, Simply Urge You to go to Polls

(Contributed)

The "Get Out The Vote" committee of the League of Women Voters had an enthusiastic meeting on Wednesday evening. They decided to make a house-to-house canvass to get out the vote at the primaries next Monday.

So, if you hear your doorbell ring, Friday or Saturday, don't think it's an agent or refuse to go to the door. It will probably be a charming woman who will simply ask you to promise to exercise your sovereign right at the polls on June 16th, and to give the question of choosing candidates your serious consideration before that time.

The women will not carry sample ballots, as the League of Women Voters is strictly non-partisan, and if they were to show women the technique of voting, such an act might easily be misunderstood. Most women know by this time, that they are to put an "X" opposite the names of the candidates they favor. If any wish to be shown, an improvised ballot, with fictitious names, can easily be arranged.

The women who have promised to make this canvass and get others to help them are: Mesdames W. C. Rasch, E. J. Quinn, A. C. Weber, E. O. Webb, A. M. Opsahl, John Vanni, W. C. Mannis, S. Newman, W. H. Cleary, Nesmith Nelson, Margaret Herbert and Miss Genevieve Flanagan.

FOR JUNE BRIDE

Miss Mable Apgar, Bride-to-Be, Honor Guest at Parcel Shower

Miss Mable Apgar, a June bride-to-be, was the honor guest at a parcel shower given by the young ladies of the Christian Endeavor of the Peoples Congregational church on Wednesday evening at the home of Miss Marion Templeton.

The home was beautifully decorated in lilacs, the color scheme of lavender being carried out. Little Clark Crust wheeled in a very pretty decorated baby carriage containing the gifts of cut glass and linen.

The evening was spent in music followed by delicious refreshments.

Young Peoples Social

The Willing Workers society of the Swedish Baptist church will give their monthly social in the church tomorrow, (Friday) evening. Mrs. Emil Gustafson will serve refreshments and the following program will be rendered:

Song—Assembly.
Bible reading and prayer.
Vocal solo by A. E. Thon, accompanied by violin and piano.
Reading—Elsie Hagberg.
Musical selection—Lyric orchestra.
Vocal solo—Mrs. A. E. Thiel.
Selection—Lyric orchestra.
Song—Closing.

Is a New High School Really Needed in Brainerd

(Contributed)

H. S. enrollment 1914-15.....282
H. S. graduates 1914-15.....44
H. S. Enrollment 1923-24.....492
H. S. graduates 1923-24.....97

Do these figures indicate growth? Grade enrollment 1914-15.....1578
Grade enrollment 1923-24.....1869
Total grade and H. S. 1914-15.....1860
Total grade and H. S. 1923-24.....2325

How much real school building has Brainerd done since 1903 to provide for the above increase?

The Garfield and the Riverside schools which provide four more grade rooms than were available in 1903 other than the temporary basement rooms, which were expressly intended to be only temporary, as they do not meet the state standards.

Is the matter a serious one at present? Yes, the regular increase in the high school for the past six years indicates an increase next year and each succeeding year.

Apart from basement rooms only sixteen high school class rooms are available for high school use, as the high school building has three grades housed there at present.

The chemical laboratory is a small, one room, basement affair with a seven and one half foot ceiling, and was a part of the janitor's living rooms in 1890.

The normal training quarter is also a basement room and does not meet the state standard but is permitted by the state department as a temporary provision.

Is a remodeling of an old building built in 1884 and in 1903 a wise and economical investment in the long run for a live and coming city?

State Superintendent J. M. McConnell recently advised officers of the board against such a policy and cited his own home town, Mankato, as having made this unfortunate mistake, and one that could not be changed or corrected later.

Did the improvements at the high school made last summer materially change the situation as to the needs for a new high school? No. They were made primarily for safety and convenience and merely added two class rooms on the third floor.

The present high school building has only sixteen rooms, not counting basement rooms, available for high school use.

Is this sufficient for a high school of 500 pupils at present and increasing all the time?

Voters: It is up to you to answer this question.

ST. FRANCIS LADIES GUILD

Enjoyed Outing Wednesday and Visited Home of Mrs. Henry Bouck in South Long Lake

The ladies guild of St. Francis Catholic church enjoyed an outing Wednesday and visited the home of Mr. and Mrs. Henry Bouck in South Long Lake township. One hundred were present, cars carrying them to the spacious lawn of the home where the guild held its meeting. Ice cream, cake and coffee were served.

The guild wishes to thank all who proffered cars to take the ladies to the scene of the meeting. Several guild members assisted Mrs. Bouck in serving.

CAR ACCIDENT IS FATAL TO BOY

Six Year Old Gerald Stallman, son of Fred R. Stallman, Struck by Automobile

SKULL WAS FRACTURED

William Brown, Driver of Car, Ordered to Appear at the Inquest

Gerald Frederick Stallman, six year old son of Fred R. Stallman, 509 South Ninth street, died at St. Joseph's hospital Wednesday evening from injuries received when he was struck by an automobile, owned and driven by William Brown, 223 North Ninth street. The accident occurred about 5:45 o'clock Wednesday evening, near the J. J. Dye store on Oak street between Ninth and Tenth streets.

According to the story told the police, Gerald was crossing Oak street toward the store, where he saw his aunt, Miss Ruby Stallman. Mr. Brown was driving west on Oak street, according to his statement going about twenty miles per hour. He swerved to the left side of the street in an effort to miss the child, but struck the little fellow, throwing him to the street. The car stopped about twenty feet from where the accident occurred.

The boy was picked up and taken to the hospital by William Davis. He died about a half hour later, without regaining consciousness, the physicians stating that the skull was fractured.

Mrs. A. Paulson, 917 Oak street, notified the police and Capt. Erick Graff was on the scene in a few minutes after the accident took place. He took Mr. Brown into custody and released him shortly after on his promise to be in court at ten o'clock Thursday morning. The car, a Cleveland six, is in the possession of the police.

With Mr. Brown in the automobile were his two sons, and Elder John S. Lewis, of Payson, Utah, and Elder Robert C. Anderson, of Mantle, Utah. The witnesses to the accident were children playing nearby, and included Harold Lee, Chester and Luverne Haskins, Otto and John Dahl. Brown is a foreman in the Northern Pacific shops.

No funeral arrangements have as yet been made, pending word from relatives in the West.

Coroner's Inquest Held

The coroner's inquest was held at 2:30 o'clock this afternoon. The jury was composed of C. D. Johnson, James Alderman, A. L. Hoffman, J. G. Dawes, John Bye and Louis Menard.

The witnesses called, in addition to William Brown, were Anderson and Lewis, who were riding with Brown when the accident occurred, Erick Graff, Miss Lena Goedderz, Mrs. Roy Wiggins, Harold Lee, Otto Dahl, John Dahl, and Chester Hughes.

All of these witnesses agreed as to the general points in the case, that the Stallman boy ran out into the street without looking to either side, that Mr. Brown was driving at a moderate speed, and that he made an effort to avoid the collision.

W. C. T. U.

The W. C. T. U. will meet at the Y. M. C. A. building on Friday afternoon, June 13th, at three o'clock. All members are urged to make a special effort to attend.

CORONER'S JURY BRINGS IN VERDICT

The coroner's jury brought in its verdict at four-thirty o'clock Thursday afternoon, as follows:

"We find that Teddy Stallman came to his death by being run over by an automobile driven by William Brown, and that Mr. Brown was not driving at an excessive rate of speed and endeavored to avoid a collision with the boy, who was running across the street in the middle of the block between Ninth and Tenth Streets South on Oak Street, on Wednesday afternoon, and that the accident was unavoidable."

HENRY C. MILLS

WINNING HONORS

Stand: Fourth in National List of Salesmen for Business Gained in Month of Contest

IN SELLING HUPP CARS

Exceeded Only by Three Salesmen Respectively From Chicago, Pennsylvania and Michigan

The Lively Auto company received word today that in the national salesmen's contest being conducted by the Hupp Motor Car corporation, in which \$50,000 in prizes are to be given away to the salesmen selling the most cars, Henry C. Mills, at the close of the first month of the contest, stood fourth among all salesmen of the company in the United States.

The three salesmen competing exceeding Mr. Mills came respectively from Chicago, Pennsylvania and Michigan. This record speaks well for the salesmanship qualities of Mr. Mills and stamps him as a go-getter in the business world. The final outcome of the contest will be watched with increasing interest.

LITTLE FALLS ELKS INVITE LOCAL BROTHERS

Little Falls Elks have extended an invitation to Brainerd Lodge Elks to visit them this evening. The invitation includes Elks and their wives. There will be initiatory ceremonies marking the adoption of a class of 30 candidates. During that time there will be entertainment for the ladies too, a special ladies reception committee of Little Falls lodge acting as hostesses for the visiting Elks' wives.

The Brainerd contingent to visit Little Falls includes Col. and Mrs. C. D. Johnson, Exalted Ruler and Mrs. A. K. Cohen, Secretary and Mrs. John J. Cummins. Others may join this party which leaves at 7 p. m.

Done Brown

"Mamma," said a little boy, who had been sent to dry a towel before the fire, "is it done when it is brown?"—Pearson's Weekly, London.

"GET OUT THE VOTE" COMMITTEE

League of Women Voters to Make a House to House Canvass of City

WANT BIG PRIMARY VOTE

Women Carry no Sample Ballots, Simply Urge You to go to Polls

The "Get Out The Vote" committee of the League of Women Voters had an enthusiastic meeting on Wednesday evening. They decided to make a house-to-house canvass to get out the vote at the primaries next Monday.

So, if you hear your doorbell ring, Friday or Saturday, don't think its an agent or refuse to go to the door. It will probably be a charming woman who will simply ask you to promise to exercise your sovereign right at the polls on June 16th, and to give the question of choosing candidates your serious consideration before that time.

The women will not carry sample ballots, as the League of Women Voters is strictly non-partisan, and if they were to show women the technique of voting, such an act might easily be misunderstood. Most women know by this time, that they are to put an "X" opposite the names of the candidates they favor. If any wish to be shown, an improvised ballot, with fictitious names, can easily be arranged.

The women who have promised to make this canvass and get others to help them are: Mesdames W. C. Rasch, E. J. Quinn, A. C. Weber, E. O. Webb, A. M. Opsahl, John Vanni, W. C. Mannis, S. Newman, W. H. Cleary, Nesmith Nelson, Margaret Herbert and Miss Genevieve Flannagan.

FOR JUNE BRIDE

Miss Mable Apgar, Bride-to-Be, Honor Guest at Parcel Shower

Miss Mable Apgar, a June bride-to-be, was the honor guest at a parcel shower given by the young ladies of the Christian Endeavor of the Peoples Congregational church on Wednesday evening at the home of Miss Marion Templeton.

The home was beautifully decorated in lilacs, the color scheme of lavender being carried out. Little Clark Crust wheeled in a very prettily decorated baby carriage containing the gifts of cut glass and linen.

The evening was spent in music followed by delicious refreshments.

Young Peoples Social

The Willing Workers society of the Swedish Baptist church will give their monthly social in the church tomorrow, (Friday) evening. Mrs. Emil Gustafson will serve refreshments and the following program will be rendered:

Song—Assembly.
Bible reading and prayer.
Vocal solo by A. E. Thon, accompanied by violin and piano.
Reading—Elsie Hagberg.
Musical selection—Lyric orchestra.
Vocal solo—Mrs. A. E. Thiel.
Selection—Lyric orchestra.
Song—Closing.

Is a New High School Really Needed in Brainerd

(Contributed)

H. S. enrollment 1914-15.....282
H. S. graduates 1914-15.....44
H. S. Enrollment 1923-24.....492
H. S. graduates 1923-24.....97
Do these figures indicate growth?
Grade enrollment 1914-15.....1578
Grade enrollment 1923-24.....1869
Total grade and H. S. 1914-15.....1860
Total grade and H. S. 1923-24.....2325
How much real school building has Brainerd done since 1903 to provide for the above increase?

The Garfield and the Riverside schools which provide four more grade rooms than were available in 1903 other than the temporary basement rooms, which were expressly intended to be only temporary, as they do not meet the state standards.

Is the matter a serious one at present? Yes, the regular increase in the high school for the past six years indicates an increase next year and each succeeding year.

Apart from basement rooms only sixteen high school class rooms are available for high school use, as the high school building has three grades housed there at present.

The chemical laboratory is a small, one room, basement affair with a seven and one half foot ceiling, and was a part of the janitor's living rooms in 1890.

The normal training quarter is also a basement room and does not meet the state standard but is permitted by the state department as a temporary provision.

Is a remodeling of an old building built in 1884 and in 1903 a wise and economical investment in the long run for a live and coming city?

State Superintendent J. M. McConnell recently advised officers of the board against such a policy and cited his own home town, Mankato, as having made this unfortunate mistake, and one that could not be changed or corrected later.

Did the improvements at the high school made last summer materially change the situation as to the needs for a new high school? No. They were made primarily for safety and convenience and merely added two class rooms on the third floor.

The present high school building has only sixteen rooms, not counting basement rooms, available for high school use.

Is this sufficient for a high school of 500 pupils at present and increasing all the time?

Voters: It is up to you to answer this question.

ST. FRANCIS LADIES GUILD

Enjoyed Outing Wednesday and Visited Home of Mrs. Henry Bouck in South Long Lake

The ladies guild of St. Francis Catholic church enjoyed an outing Wednesday and visited the home of Mr. and Mrs. Henry Bouck in South Long Lake township. One hundred were present, cars carrying them to the spacious lawn of the home where the guild held its meeting. Ice cream, cake and coffee were served. The guild wishes to thank all who proffered cars to take the ladies to the scene of the meeting. Several guild members assisted Mrs. Bouck in serving.

G. EVANDER WINS DOUBLES CHAMPIONSHIP

**HAS 2 SHOOTOFFS
WITH A. C. WHITE
OF BRAINERD**

**WINS IN MOST EXCITING
FINISH AT TOURNA-
MENT**

**IN PROFESSIONAL EVENT E. W.
RENFRO, MINNEAPOLIS,
WINNER**

Breezy Point Lodge, Pequot, Minn. June 12.—In a most exciting finish yesterday, Gus Evander of Wheaton, Minn., won the doubles championship at the Minnesota State Trapshooting Tournament. Tied with Art C. White, member of the Brainerd Gun club, with 44, it took two shootoffs to settle the amateur championship. In shooting off two pairs of targets, the men tied again with 15 each. In the second shoot-off, Evander scored 18 and White 16 and Evander was at length the winner.

E. W. Renfro, Minneapolis, won the professional event in the doubles with a score of 44. In the singles he scored 149 out of 150. In two days' shooting he has missed only 4 out of 300.

J. E. Dickey, 1923 doubles champion among the professionals, tied for second place in the doubles event with George Trent, Sr., of the Brainerd Gun club, each getting 40.

Second Days' Singles
Amateurs in singles, next high guns, were Marc Arle, Champaign, Ill.; I. H. Hart, Litchfield, Minn., and Dave Fauskee, of Worthington, Minn., who tied with 148.

Joe Dawson, Omaha, and Harold Kalland, of the Brainerd Gun club, were next with 146 each.

Attendance Increasing

Attendance at Breezy Point Lodge is increasing and bids fair to make this the biggest state shoot in the United States. In point of attendance, the Minnesota State Shoot has already excelled Illinois, Iowa, Michigan and Wisconsin state shoots.

In marksmanship shown it stands unexcelled, having gathered the greatest galaxy of shooters from the United States and Canada.

Lieutenant Governor Wires Greetings

Lieutenant Governor Louis L. Collins, attending the republican national convention at Cleveland, in spite of his many duties, found time to wire Mrs. William H. Fawcett, owner of Breezy Point Lodge, the welcome of the state of Minnesota to the shooters assembled.

**SINGLES SCORES
MADE ON JUNE 11**

Breezy Point Lodge, Pequot, Minn. June 12.—These are the singles scores made yesterday at the state trapshooting tourney:

Kipp	131
xJahn	148

HIRSH SAYS GREY LAG 1ST; BRACADALE 2ND

By FRANK GETTY
(United Press Staff Correspondent)

New York, June 12.—Maxey Hirsh, veteran trainer who has handled some of the best horses this country has produced, agrees with Sam Hildreth that Grey Lag is the fastest stake horse on the American turf.

When the question of which horse should be selected to meet Epinard, the French crack, in match races this fall was put up to Hirsh, he had no hesitation in replying:

"Grey Lag, of course. If he is fit, he is the best we have."

Sam Hildreth is handling the Sinclair colt, now 6 years old, and Hirsh says he understands Grey Lag is being "pointed" for just some such event as the Epinard matches—if these are held.

Some time ago, before the running of the Withers at Belmont Park, Hirsh was asked what colt he thought to be in the best shape for a stake race. Without considering any of the other contenders, the trainer named Bracadale.

As everyone knows, the Rancocas colt stepped out on Decoration Day and ran away from the field in the Withers. Which showed that Hirsh was a pretty fair judge of contemporary horseflesh, if there had ever been any doubt on that score.

Bracadale disappointed earlier in the season, but his running in the Withers left nothing to be desired.

On the form shown at that time, Bracadale was Hirsh's choice to meet Epinard if Grey Lag had to be passed up.

A second choice named by the trainer was Nellie Morse, Bud Fisher's good filly. Nellie Morse's running in the Preakness at Baltimore was something turf followers will long remember. The Fisher filly splashed home to victory over a field of high-class colts.

Shortly after Hirsh had suggested Nellie Morse as a possible American contender in an international stake race, she disappointed in the Kentucky Oaks on get-away day at Churchill Downs, when, after leading the field all the way, she allowed herself to be nipped on the post by an outsider. However, there was more in this race than met the eye.

It would be unusual if a filly were the silks of the United States against the pride of France, but with this year's colt running as erratically as at present, Hirsh's choice is not as unusual as it might seem.

There is no doubt but 1924 is an off year for high-class horseflesh in all three countries where racing prevails—England, France and America.

Delaney-Greb Bout Off

New York, June 12.—The Jack Delaney-Harry Greb bout, scheduled as a headliner for the Milk Fund show, June 26, was called off today when it was found out that Delaney is suffering from an attack of appendicitis. It is expected that a substitute to box Greb will be found today.

Long Popular Novel

One of the earliest of still popular novels, "Don Quixote," is also one of the longest. It is estimated to contain 491,000 words. Begun in prison, the first part was published in 1605, and the second ten years later.

KITTEN BALL. SUMMER SPORT, TEAMS ORGANIZE

KRETZSCHMAR'S COLTS DEFEAT- ED BY O'BRIEN IN- VINCIBLES

HEAVY SLUGGING AND AIRTIGHT DEFENSE GAINED DOUBLE HEADER

Kitten ball is one of the late additions to Brainerd's summer sports, and several teams have already been organized. On Tuesday evening "Kretzschmar's Colts" were defeated in both games of a double header by "O'Brien's Invincibles" at the Main street grounds by scores of 11 to 10 and 21 to 5.

The heavy slugging, coupled with air-tight playing, enabled the Invincibles to romp away with the victory with ease. Early in the game it became evident that the Colts were up against class and speed that was not to be easily overcome.

This is the fourth time this season that the Invincibles have met and defeated the Colts. Better luck to the losers next time they meet. Batteries for the Invincibles—Hansen and O'Brien, for the Colts—Peterson and Dankers.

FIRST BLOOD IS DRAWN, INVASION OF OLD EUROPE

CAPTAIN WILLIAM H. FAWCETT'S MEN SCORE OVER BRITISH MIXED TEAM

HISTORIC SHOOT STAGED AT WALLHAM ABBEY CLUB, LONDON, ENGLAND

Breezy Point Lodge, June 12.—According to a cablegram received here today and greeted with resounding cheers at the State Trapshooting Tournament was the cablegram addressed to Minnesota trapshooters the American Olympic trapshooters team had won its first contest with foreign shooters.

Wallham Abbey Club, near London, was the scene of the historic meeting, and a combined Canadian and British team of crack shots went down to defeat before the onslaught of the guns directed by Captain William H. Fawcett.

The scores of the Americans were: Etchen 97, Silkworth 96, Sharnan 96, Hughes 95, Fawcett 95, Noel 94 and Platt 94.

G. EVANDER WINS DOUBLES CHAMPIONSHIP

**HAS 2 SHOOTOFFS
WITH A. C. WHITE
OF BRAINERD**

**WINS IN MOST EXCITING
FINISH AT TOURNA-
MENT**

**IN PROFESSIONAL EVENT E. W.
RENFRO, MINNEAPOLIS,
WINNER**

Breezy Point Lodge, Pequot, Minn., June 12.—In a most exciting finish yesterday, Gus Evander of Wheaton, Minn., won the doubles championship at the Minnesota State Trapshooting Tournament. Tied with Art C. White, member of the Brainerd Gun club, with 44, it took two shootoffs to settle the amateur championship. In shooting off two pairs of targets, the men tied again with 15 each. In the second shoot-off, Evander scored 18 and White 16 and Evander was at length the winner.

E. W. Renfro, Minneapolis, won the professional event in the doubles with a score of 44. In the singles he scored 149 out of 150. In two days' shooting he has missed only 4 out of 300.

J. E. Dickey, 1923 doubles champion among the professionals, tied for second place in the doubles event with George Trent, Sr., of the Brainerd Gun club, each getting 40.

Second Days' Singles

Amateurs in singles, next high guns, were Marc Arie, Champaign, Ill.; I. H. Hart, Litchfield, Minn., and Dave Fauskee, of Worthington, Minn., who tied with 148.

Joe Dawson, Omaha, and Harold Kalland, of the Brainerd Gun club, were next with 146 each.

Attendance Increasing

Attendance at Breezy Point Lodge is increasing and bids fair to make this the biggest state shoot in the United States. In point of attendance, the Minnesota State Shoot has already excelled Illinois, Iowa, Michigan and Wisconsin state shoots.

In marksmanship shown it stands unexcelled, having gathered the greatest galaxy of shooters from the United States and Canada.

Lieutenant Governor Wires Greetings

Lieutenant Governor Louis L. Collins, attending the republican national convention at Cleveland, in spite of his many duties, found time to wire Mrs. William H. Fawcett, owner of Breezy Point Lodge, the welcome of the state of Minnesota to the shooters assembled.

SINGLES SCORES MADE ON JUNE 11

HIRSH SAYS GREY LAG 1ST; BRACADALE 2ND

By FRANK GETTY

(United Press Staff Correspondent)

New York, June 12.—Maxey Hirsh, veteran trainer who has handled some of the best horses this country has produced, agrees with Sam Hildreth that Grey Lag is the fastest stake horse on the American turf.

When the question of which horse should be selected to meet Epinard, the French crack, in match races this fall was put up to Hirsh, he had no hesitation in replying:

"Grey Lag, of course. If he is fit, he is the best we have."

Sam Hildreth is handling the Sinclair colt, now 6 years old, and Hirsh says he understands Grey Lag is being "pointed" for just some such event as the Epinard matches—if these are held.

Some time ago, before the running of the Withers at Belmont Park, Hirsh was asked what colt he thought to be in the best shape for a stake race. Without considering any of the other contenders, the trainer named Bracadale.

As everyone knows, the Rancocas colt stepped out on Decoration Day and ran away from the field in the Withers. Which showed that Hirsh was a pretty fair judge of contemporary horseflesh, if there had ever been any doubt on that score.

Bracadale disappointed earlier in the season, but his running in the Withers left nothing to be desired.

On the form shown at that time, Bracadale was Hirsh's choice to meet Epinard if Grey Lag had to be passed up.

A second choice named by the trainer was Nellie Morse, Bud Fisher's good filly. Nellie Morse's running in the Preakness at Baltimore was something turf followers will long remember. The Fisher filly splashed home to victory over a field of high-class colts.

Shortly after Hirsh had suggested Nellie Morse as a possible American contender in an international stake race, she disappointed in the Kentucky Oaks on get-away day at Churchill Downs, when, after leading the field all the way, she allowed herself to be nipped on the post by an outsider. However, there was more in this race than met the eye.

It would be unusual if a filly wore the silks of the United States against the pride of France, but with this year's colt running as erratically as at present, Hirsh's choice is not as unusual as it might seem.

There is no doubt but 1924 is an off year for high-class horseflesh in all three countries where racing prevails—England, France and America.

Delaney-Greb Bout Off

New York, June 12.—The Jack Delaney-Harry Greb bout, scheduled as a headliner for the Milk Fund show, June 26, was called off today when it was found out that Delaney is suffering from an attack of appendicitis. It is expected that a substitute to box Greb will be found today.

Long Popular Novel

One of the earliest of still popular novels, "Don Quixote" is also one of the longest; it is estimated to contain 401,000 words. Begun in prison, the first part was published in 1605, and the second ten years later.

KITTEN BALL. SUMMER SPORT, TEAMS ORGANIZE

KRETZSCHMAR'S COLTS DEFEAT- ED BY O'BRIEN IN- VINCIBLES

HEAVY SLUGGING AND AIRTIGHT DEFENSE GAINED DOUBLE HEADER

Kitten ball is one of the late additions to Brainerd's summer sports, and several teams have already been organized. On Tuesday evening "Kretzschmar's Colts" were defeated in both games of a double header by "O'Brien's Invincibles" at the Main street grounds by scores of 11 to 10 and 21 to 5.

The heavy slugging, coupled with airtight playing, enabled the Invincibles to romp away with the victory with ease. Early in the game it became evident that the Colts were up against class and speed that was not to be easily overcome.

This is the fourth time this season that the Invincibles have met and defeated the Colts. Better luck to the losers next time they meet.

Batteries for the Invincibles—Hansen and O'Brien, for the Colts—Peterson and Dankers.
